

# Arrangements for Admission of Pupils with Special Educational Needs

Eardisley CE Primary School prides itself on being an inclusive school and on catering well for pupils with Special Educational Needs.

In line with the School Admissions Code, all children whose statement of SEN or education, health and care (EHC) plan names the school are admitted immediately. The school puts in place specific arrangements to cater for the pupil's needs as soon as possible.

The school may accept any child with an EHC plan in Key Stage One even if this would contravene the Infant Class Size regulation.
