

Eardisley Church of England Primary School

Glowing brightly, sparkling too: in all that we do our values shine through.

At Eardisley CE Primary School, living and learning, our Christian values stand out in our journey to excellence. We encourage children to value themselves, one another, their world and God.

Our commitment as staff and governors:

We want our children to be vibrant and successful, at one with themselves and their world. Our commitment, in partnership with families, is for each child to have and become the very best.

We do this through providing:

- A framework of Christian Values that enables children to develop and flourish as individuals and make a positive contribution to society.
- A caring, safe and healthy environment that promotes joy, friendship and determination.
- A world-class curriculum that inspires and challenges all children and prepares them to engage successfully in an ever-changing future.
- Compelling learning experiences that inspire a love of learning and nurture ambition.
- Teaching approaches that increase children's engagement, motivation and commitment to learning.
- A happy and inclusive community for living and learning.

We hope that every day will be a journey of discovery, providing exciting challenges and the thrill of success!
