Dear Families

We have had a super week – and there's lots happening both now and on the horizon!

Kington Library Short Story Competition

Many congratulations to Heidi, who won first prize in the Kington Library Short Story competition! She won a cheque for £15.00 for her class to spend. Congratulations to Karina, Spencer and Issy, whose stories were also commended in the competition.

Congratulations to Megija for her commendation in the Rotary Club writing competition. The judges were impressed with her story and urge her to enter again next year!

Forest Schools

Sam Goddard and friends are making a welcome return to Eardisley CE Primary School with Forest School sessions for both Rowan and Willow Class. We will make sure they wrap up warmly, but they will be having so much fun, they won't notice the cold!

Public Speaking

We are indebted, once again, to the wonderful Mrs Burrage for leading another invaluable Public Speaking session with our Year 6 children. This is such a unique opportunity for Eardisley children – a skill that really will last a lifetime.

Maths Project

Eardisley CE Primary School has been invited to be part of a Herefordshire maths project, so we are delighted to take part. Mrs Small, as our Maths Leader, will be taking us through and we will relish this new opportunity.

We welcome Alex Mogg as student teacher in Willow Class. She starts her block placement on Monday but has been working with the class off and on over the past few months. We also welcome a small party of Worcester University trainee teachers who will be working across the school next week as part of their training.

With all good wishes

Bridget Knight.

1st Eardisley Rainbows

Last term was very busy with fabulous visits from Georgie to do some yoga with the Rainbows and 3Degreez Cheerleaders assisting the Rainbows with some cheerleading moves. Phil Whittal came to show the girls the British legion standard and the Rainbows attended the Remembrance Day Parade and service in Almeley. We also fitted in a nightwalk and Wren very kindly brought her telescope so the Rainbows could look at the moon after learning the different phases that it goes through. The Rainbows made jewellery for Diwali and Christmas cards for one of the wards at Hereford Hospital as well as singing songs and playing games.

We have a few spaces available so if your daughter is aged 5-7 yrs and interested please get in touch www.girlguiding.org.uk (information for parents tab) or see me in the playground.
