

EARDISLEY CE PRIMARY SCHOOL

Giving Children Roots and Wings

LAST WEEKLY NEWSLETTER OF THE YEAR 20th July 2018

Dear Families

We hope you will thoroughly enjoy the attached Year Round Up compilation, sharing just some of the things that we have achieved, enjoyed and experienced over the course of a single year at Eardisley CE Primary School.

At the end of another glorious year here, we say a very fond farewell to all our Year 6 leavers. We have loved their company over the years and wish them all a very happy and successful future. Good luck, Frank, Simon, Bella, Verity, Amber, Naomi, Ben, Gracie, Zeb, Leona, Alex, Alfie, Jacob, Rachael, Izzy, Charlie and Julia!

We also say of course, a very fond farewell to Miss Turner who has been an amazing teacher for Oak Class, and Mrs Hargraves who has worked in Oak Class this year. We are very grateful for all their hard work, enthusiasm and good ideas.

We're also saying goodbye and good luck to Joe, Isla and Pippy and wish them well with their moves.

Dragon Days

On a much happier note, thank you Key Stage 2 and all their teachers and helpers for your fantastic Dragon Days play this week! The singing was exceptional and the whole play was a great team effort that really gave everyone a chance to shine. We are very grateful to Mrs Small for leading that super singing and to all the staff for their wonderful support. Thank you to all the families who came out to support us. A big thank you to Eardisley Little Theatre for enabling us to use their wonderful facilities and for helping with all the setting up and putting away. Mr Pollock is compiling a DVD of the show and this will be available in the autumn.

We had a super FOES Summer Disco on last Friday night – everyone enjoyed it so thank you, FOES, for your great efforts!

PCSO Emma Dunne led a super Keep Safe; Keep Happy end-of-term assembly on Wednesday to remind all the children about all the ways they can keep themselves safe when they are out and about. The children met Felix and Emma, our two new Community Support Officers, who told them all about their role and reminded them about Stranger Danger, keeping safe near water and all the other ways in which we can be responsible. Ask them to tell you all about it.

Things to do over the summer...

- Take a leaf from our Values in the Forest training – use a piece of card backed with double-sided tape to make a collage of natural found things to display.
- All the children have chosen a holiday diary book to jot down and record some happy holiday memories, and we shall look forward to sharing those next term.
- Children might like to complete the Values Summer Holiday Challenge Card too – bring it back to school next term so that we can celebrate it together!

Wishing you all a very good summer holiday – and looking forward to seeing you next term on Tuesday 4 September!

Going Home Arrangements

We will be starting the new year with a clean slate so please let the office know your child's going-home arrangements straightaway on the first day back, if you are not picking them up yourselves every day.

News from the Governors

We will have a vacancy on the Governing Body for a parent governor in September. More details will be sent out when we return to school but if you are interested in becoming a governor, please do speak to one of our current governors to learn more about the role.
