Dear Families

Keep Safe Online

We had a super E-Safety day with Mark Sanderson this week. He led workshop sessions in all the classes as part of our ongoing commitment to keeping children safe. The children across the school have a sensible approach to keeping themselves online and these sessions just help to reinforce these safeguarding messages. If you would like any advice about keeping your child safe online, visit the NSPCC website <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety> or talk to one of the staff at school – any time!

School Library

Our school library is a wonderful thing, and we are rightly proud of it. We encourage children to choose books to enjoy and return as we really want to support them in their love of reading. There are currently rather a lot of books from the library that haven't been returned. Please have a look and see if you have any school library books at home (they will have a school stamp and bar code on the inside cover) so that we have more books for everyone to enjoy!

NSPCC Number Day 2018 – Friday 2nd February

Eardisley CE Primary School is joining in the national NSPCC Number Day 2018! We'll be spending much of the day engaged in maths-style activities all across the school. There will be games and fun! Children are invited to bring in a 50p piece as a donation to the NSPCC. We will be also be using the 50p pieces to make a maths chain in the school hall before they are sent off!

What's it like to go to University?

We are delighted to be hosting the first ever 'What's it like to go to University' assembly led by tutors and students from Worcester University on Monday 29 January at 10.45 am. If you would like to join us for this special event, do come along (it should last about 30 minutes).

We say a fond farewell to Sophie this week. We are sad to see her go but hope she will be very happy in her next school.

With all good wishes for a super weekend

Bridget Knight.
