WEEKLY NEWSLETTER 9th MARCH 2018

Dear Families

It was super to see everyone on Monday after our unexpected 'snow holiday'. We have been able to follow the curriculum as usual and everyone has been very focused on learning. Huge thanks to Phil Whittall for clearing the car park and surrounds of snow, and to the very valiant Emma Bowen who has cleared our playground by hand, and Mrs. Pugh who cleared the pavement! We are indebted to these kind people.

Many apologies for the inconvenience caused by the delayed return of the swimming bus on Wednesday but many thanks to you all for being so understanding.

Super Science

Today we have had a super Science day! The children were thrilled to both watch and take part in some amazing experiments and workshops. Beech Class had a 'Hair Raising Electrons' workshop; Oak Class had 'Show me the Light' - and Willow and Rowan enjoyed a 'Crazy Chemist' experience! Science is a major part of our curriculum and so this was a super start to a national Science Week. We are very grateful to FOES for funding this day for us, and to Miss Evans, our science coordinator, for organising it.

Value of the Month: Forgiveness

Our value this month, for Lent, is Forgiveness. We shall be thinking about the example Jesus gave us throughout his life, and considering when and how we can show forgiveness to others, and even to ourselves.

With all good wishes

Bridget Knight
